Yes, thanks Jason. We did get it. It was good to see that - although you took a slightly different approach - our respective assessments ended up in almost the same place. That builds confidence. Thanks for the rapid assessment!

Best wishes

Good morning Gina,

I hope you have been doing well. I just wanted to shoot you a quick note to see if you had ever received a copy of the final p-CBSA PPRTV assessment. I assumed that R9 was in close communication with you and they would share the assessment. Please let me know if this did not happen yet. Thank you
